December 2022 & January 2023 Newsletter

## WINTER GEAR

The elementary is currently accepting donations of snow pants, warm gloves/mittens and boots. We could use youth sized boots in the 2-8 range as well as snow pants in the 7-14 range. Thank you!

If you find that winter gear is something your family may need support with, please contact your child's teacher and we can help! We play outside daily in temps that range from 10 degrees and up.

Please practice with your child as he/she will need to get winter gear on and off independently in about 5 minutes or less. Practice what goes on first, next, etc. This will help your child maximize his/her recess time!

*Be sure to write your child's name in all of his/her outside gear!*

## REMINDERS FOR ALL

- ❖ This time of year can be challenging for families. If you are in need of weekend food, please reach out to the office or your child's teacher. We have some extra weekend **FOOD BAGS that can be sent home weekly to help!**
- ❖ Please respect that we are asking **parents to drop off and say morning good byes outside the entrance doors.** This is not only for safety but to help to alleviate morning congestion. Thank you!
- ❖ Toys and trinkets from home are best to stay there. Recently some items have caused morning behavior issues. If these things come to school they need to be put away in a backpack until school is over. School is not responsible for lost or stolen items.
